

Flexi-Drive Slide

USB stick with extendable USB connector

The newest addition to our Flexi-Drive range, the Flexi-Drive Slide has a compact and stylish design along with an innovative slide-out USB connector. This connector can be easily extended or retracted in order to protect it during transport. The Flexi-Drive Slide is available in capacities of 2, 4 and 8 GB. A perfect memory solution for on-the-go from SHARKOON ...
